

Please take a look at the following list of values. Rank them in order of importance to you, with 1 being the value that is most important to you and 6 being the value that is least important to you.

| Value                         | Ranking (1 = most important, 6 = least important) |
|-------------------------------|---|
| Business                      |   |
| Art/ Music/ Theatre           |   |
| Social Life/ Relationships    |   |
| Science/ Pursuit of Knowledge |   |
| Religion/ Morality            |   |
| Government/ Politics          |   |

Please note this task continues on the next page.

Please can you now write in the box about the value you ranked as number six – the **least important value to you**. Explain why it might be important and meaningful to others.
